Title: FinePrint | Print the way you want

The screenshot shows the pdfFactory software interface. On the left, there is a 'Jobs' tab with a table listing two jobs: 'FinePrint | Print the way you want' (4 pages) and 'The New York Times - Breaking Ne...' (13 pages). Below the table are checkboxes for 'Encrypt PDF file' and 'Embed all fonts', and a 'Title' field containing 'FinePrint | Print the way you want'. The main area shows a preview of a PDF page with a landscape image and text. The interface includes a toolbar at the top with various icons for file operations and a sidebar on the left with 'Jobs' and 'Notes' tabs.
